### **Optimizing Your Experience**

1. Access to airport lounges is available upon completing a purchase transaction of at least JOD 1 within the first three months of registering for the Mastercard Travel Pass app.

Eligible spending includes any transaction conducted outside Jordan using your credit or debit card, whether through point-of-sale (POS) terminals or online.

2. Credit or debit cardholders are required to register for the Mastercard Travel Pass app to benefit from this offer.
3. Failure to meet the minimum spending threshold during the specified period will result in the suspension of airport lounge access, which can be reinstated by fulfilling the spending requirements.
4. Eligible cards include World Mastercard credit cards, Platinum Debit Mastercard and corporate cards.
5. If a cardholder spends at least JOD 1 during the first three months of registration, they will gain access to airport lounges for the subsequent 12 months. Continued spending on the card is necessary to extend lounge access for an additional 12 months - meaning each JOD 1 spent grants an extra 12 months of access.
